Subject: Status of Annual Permit Fees, Crystal Clear Mine, S/023/056, Juab County, Utah

Dear Mr. Harris:

This letter is to acknowledge receipt of a \$155.00 money order we received on September 8, 2005 for your Crystal Clear mine site. This letter is to also help clarify the status of the permit fees for this site. The 2003 fee was not paid during that year; therefore, in year 2004 you were sent billing statements for two years, for a total of \$300.00. After several requests, for the 2003 and 2004 payments, you telephoned Mr. Daron Haddock of this office informing him that you would pay \$50 each payday (the 5th and 20th) until the fee payments were caught up. We received three payments of \$50 each (January 4, January 24 and February 25, 2005). These three payments were credited to the year 2003 fees. Year 2004 fee payment remained due.

On June 29, 2005, we sent billing statements for the 2005 fiscal year; therefore, your billing statement was again sent for \$300 (year 2004 and 2005). We have credited \$150 of the payment received on the 8th of September to the 2004 year and \$5 to the current 2005 year leaving an outstanding balance of \$145 for year 2005. Another billing statement for that amount is included.

Please be advised that any mining on this site has been suspended until the permit fees are paid. If mining is occurring without the fees being fully paid, that is considered a violation of the Utah Mined Land Reclamation Act and penalties and fines can be imposed. Please contact me at (801) 538-5258 or Joelle Burns at (801) 538-5291 within the next 10 days to make arrangements as to when the additional \$145 permit fee for fiscal year 2005 will be submitted.

Thank you for your immediate attention to this permitting issue. If you have any questions regarding the content of this letter, please contact me.

Sincerely,

for Susan M. White

Subject: Second Notice - Delinquent Permit Fees - Further Mining is Suspended

Dear Mr. Harris:

The Division has not received the annual permit fee payment(s) for the 2005 fiscal year, which were due on or before July 29, 2005 (see R647-2-101.6, R647-3-1-1.7, and R647-4-101.5). Non-payment of permit fees is a violation of the Minerals Regulatory Program and suspends an operator's authorization to conduct exploration or mining operations. **YOUR AUTHORIZATION TO CONDUCT EXPLORATION OR MINING ACTIVITIES IS SUSPENDED, UNTIL THIS BILLING REQUIREMENT IS RESOLVED.** Permit fees are required until the site has been fully released in writing by the Division.

We have enclosed a "Delinquency Notice" billing statement along with this letter. Please return the bottom portion of your billing statement to ensure the payment is posted to the correct account. Operations may resume upon our receipt of the required fees. *If you have already sent in your payment, please accept our thanks and disregard this notice.*

The Division will allow you until September 9, 2005 to pay the delinquent permit fees before issuing a Notice of Violation for non-payment, which will carry a fine and penalty. Continuing mining activities before the fee is paid will result in a Cessation Order which carries a separate fine and penalty. Please be advised that fines and penalties are assessed for each separate violation.

We hope to avoid taking any enforcement action regarding the fee payments. Please: 1) submit your payment by September 9, 2005; 2) check the box, **if the site is fully reclaimed and revegetated**, thereby requesting a site inspection to close the file; or 3) contact me immediately at (801) 538-5358 or Joelle Burns at (801) 538-5291.

Sincerely,

for
